groups to apply.

# REGISTERED MASSAGE THERAPIST

## Seeking Independent Contractors

Located in Richmond, a small vibrant community part of Ottawa south/west, Willow Wellness is a new wellness hub seeking to bring holistic health and wellness to a wide range of people. As an Independent Contractor, using your superior clinical skills, you will achieve high client engagement and welcomed outcomes with the people you serve. With a belief in overall just being a kind person, you will hold true to Willow Wellness values of inclusion, exceptional service, community, joy and personal growth. You adopt a health at every size philosophy.

**Core Competencies:** You will provide a variety of safe, appropriate and effective massage services utilizing different techniques in accordance with client care plans or as directed. You believe in continuous feedback and are able to observe client reaction to massage and make needed changes. You practice from a trauma-informed perspective and practice consent-based body work.

The ideal candidate will have availability full-time or part-time, including the potential for some evenings and Saturdays. As one of the first practitioners to join our hub, you will have the opportunity to build a practice and contribute to the growing synergies of our centre.

Collaboration among allied health practitioners is important to us at Willow Wellness. As a Registered Massage Therapist, you will be joining a new team of Physiotherapy, Osteopathic Manual Therapy, Social Work and other holistic practitioners. This team will be invested in providing comprehensive holistic treatment for our clients and community.

**Must have:** Membership with the College of Massage Therapists of Ontario and be in good standing; Professional Liability Insurance

We also want to hear from “the real” you - so besides your CV, we invite you to share something you’d love for us to know about you. And what inspires you to dig into the work you do!

Please send to Chris at [admin@willowwellness.ca](mailto:admin@willowwellness.ca)
