

## **triOS College Expands into the Ottawa Region**

MISSISSAUGA – On August 1<sup>st</sup> 2023, triOS College Business Technology Healthcare has expanded into the Ottawa area with the purchase of the International Academy of Applied Health. This acquisition offers students in Ottawa and across Ontario a wider range of program choices. Additionally, an Acupuncture Practitioner program will be added to the triOS College Healthcare program offerings. Currently triOS offers 40 diploma and certificate programs. Students in the Ottawa area will have the opportunity to register for many of triOS College's current Remote and Online programs, including Accounting and Payroll Administrator, Community Services Worker, Digital Marketing Specialist, Information Technology Administrator (Cloud), Personal Support Worker and more!

"We're thrilled to be opening our new campus and expanding our program offerings to Ottawa-area students", said triOS President Stuart Bentley. "We're especially excited to welcome the students and staff from the International Academy of Applied Health to the triOS community. The International Academy of Applied Health has a long history in Ottawa and a reputation for providing high-quality healthcare education for Massage Therapy and Acupuncture. Along with the dedicated employees and instructors, we look forward to strengthening the student experience in Ottawa through program expansion and student services.

The new triOS College campus is located at 161 Greenbank Road, Nepean ON K2H 5V6. Current students of the International Academy of Applied Health will continue their studies without interruption, ensuring their academic success and progression.
